

## **PUBLIC NOTICE**

### **Placement of National Registration Bureau (NRB) staff during voter registration**

The Malawi Electoral Commission is informing all stakeholders that, in collaboration with the National Registration Bureau (NRB), a special arrangement has been made to place one team per ward to conduct national registration for all voter registrants with national ID.

All eligible voters without a national ID are, therefore, advised to go to these centres first and register with NRB and thereafter use the proof of registration to register as a voter with MEC.

To register with the NRB, a registrant needs to bring along either two witnesses who are holders of national ID or a biological parent who holds a national ID.

Signed this 8<sup>th</sup> day of April, 2020 at Blantyre
